

The Potty Song

Don't do that little dance

You've got to...

In your pants

Pull up your pants

Get to the potty

Do a little dance

While you have a chance

Flush the potty,

You've got to...

Wave bye-bye

Wiggle your pants

Wash your hands

Down to the ground

And then you dry

Sit on the Potty,

Now you get a

Big and round

BIG HIGH FIVE!

You've got to...

YOU DID IT!

Go, Go, Go

Whoo-pe-dee-dee

Wipe with toilet paper...

1...2...3...
